45 Pounds More Or Less

45 Pounds (More or Less) is the funniest book I have ever read about an issue that American Teens are facing in this skinny minny world we live in. I have lived Ann's life. I was skinny all my life until I hit 18 years old and then I gained a little weight at college and then I gained weight when I had my children and it is a nightmare.

I'm so happy to recommend author KA Barson's debut novel 45 Pounds (More or Less). It's a funny contemporary novel about a root-for-her heroine and her dysfunctional family.
