My fourth book by Frank McCourt and I am still impressed. Teacher Man (2005) is the last book of his 3-part tragicomic memoir and it is about his experiences as a teacher in at least 3 schools in New York. He spent 33 years teaching high school students before he retired at the age of 60 and wrote his first book, Angela's Ashes at the age of 66. The book changed his life tremendously.
