You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

### **Creative Visualization Workbook Shakti Gawain**

In 1978, Shakti wrote her first book, Creative Visualization. We initially printed two thousand copies of the book. We had to borrow money to pay the printing bill. I don't recall that we spent anything at all on promotion; I don't think we sent out even one review copy. But the print run sold out, quickly, purely through word of mouth.
