First To Fight An Inside

First to Fight is an inside look at the reason we have a Marine Corps. At the end of World War II, there was a downsize of the military and with good reason: the over-burgeoning weight of men and women who joined the war efforts was staggering; as it came to a close, th I remember at the School of Music during my training early on in my Marine Corps career, this guy in the Army asked me why we needed a Marine Corps.

First to Fight: An Inside View of the U.S. Marine Corps by ...

"First to Fight" is probably not what you would expect and yet it is a very good book. It is sort of three books in one. The first story is about the post-WWII defense reorganization and attempts by some to eliminate the Marine Corps or fold it into one of the other service branches.
