nuvi® 50LM | Garmin

UPDATE: This model has been replaced by the nuvi 52LM (49 states) and nuvi 54LM (US + Canada). The Garmin nuvi 50LM is the top of the line navigator in Garmin's 2012 Essential series, offering a 5" wide screen and lifetime map updates. The models in this series are meant to be basic navigators at a budget price, lower than what we've previously seen for Garmin entry-level models.
