Inferno The World At War

Inferno is a magnificent achievement, a one-volume history that should find favor among readers thoroughly immersed in World War II and those approaching the subject for the first time. As the years thin the ranks of those who

So, as you might expect, I was overjoyed when I found a copy of one of his newer books, *Inferno: The World at War*, on my bookshelf. Unlike *Armageddon*, which is only about the later part of the war against Germany, *Inferno: The World at War* is about all of World War II. Hastings describes every
