Linde Heliarc 250 HF Tig welder - \$1050 (FOUNTAIN HILLS) 80's Heavy Duty Linde Heliarc 250HF Tig Welder with Miller Cooler. Recently serviced at Vern Lewis, replaced high frequency points and complete check up. Too much welder for what I do, works like a champ.

Linde Welder - For Sale - Shoppok

I have the same machine and sold hundreds of them back when I was in welding sales. The machine was originally built by Linde (Union Carbide). They split off the Company into two groups, the gas division and hard goods division. When they split they renamed the welding hard goods L-Tec. I have the same machine with the Linde Logo on it.

This is an ORIGINAL 1957 "Linde Heliarc Welder Wire Feeder" owners manual (please see pics). The cover of this manual is in good shape with light wear, but has NO tears or tatters (see pics). Manual contains 20+ pages. This rare piece of welding history is in VERY GOOD overall condition.

1957 "THE LINDE COMPANY HELIARC WELDING WIRE FEEDER ...

Gas tungsten arc welding (GTAW), also known as tungsten inert gas (TIG) welding, is an arc welding process that uses a non-consumable tungsten electrode to produce the weld. The weld area and electrode is protected from oxidation or other atmospheric contamination by an inert shielding gas (argon or helium), and a filler metal is normally used, though some welds, known as autogenous welds, do ...
