Karen E. Fields

The observation which forms the title of this review comes fairly late in "Racecraft: The Soul of Inequality" (p. 284 out of 290) but the book is no less worthwhile for that. A definition of racism (which Amazon's guidelines prevent me reproducing word for word here) is found on page 17.

American history,
economic doctrine,
politics, and everyday
thinking that the

presence of racecraft
itself goes unnoticed.

That the promised post-
racial age has not

dawned, the authors
argue, reflects the

failure of Americans to
develop a legitimate

language for thinking
about and discussing

inequality.
