Realizing that Bongo must be an already-trained bear, the circus accepts him, and the story concludes with Bongo once again in the lap of luxury, with the circus's other bear - a similarly "civilized" and pacifistic female - as his new mate. Adaptations. The story was acquired by Walt Disney Productions in 1940 for a possible feature film.

The actual funding of The Silver Bears seems a little murky. A small US company seems to have been involved as the actual producers with Columbia taking US distribution, but it's still down as a UK film. My interest was aroused because the film was directed by Ivan Passer, one of the original directors of the Czech New Wave.

Description. Known in the Opatas language as the pissini, the grizzly was one of the heaviest and largest mammals in Mexico. It reached a length up to 1.82 m (6 ft 0 in) and an average weight of 318 kilograms (701 lb). Due to its silver fur, it was often named in Spanish as el oso plateado (the silvery bear). The Mexican grizzly was smaller than the grizzlies in the United States and Canada.
