The Third Wave is a 1980 book by Alvin Toffler. It is the sequel to Future Shock (1970), and the second in what was originally likely meant to be a trilogy that was continued with Powershift: Knowledge, Wealth and Violence at the Edge of the 21st Century in 1990. A new addition, Revolutionary Wealth, was published, however, in 2006 and may be considered as a major expansion of The Third Wave.

Book Review: THE THIRD WAVE

The history of the internet has had two distinct phases, and a third phase is beginning now. In 1980, futurist Alvin Toffler wrote The Third Wave, a book describing how the next "wave" of evolution in the information age would transform the world and create an electronic global village.. But to understand this "third wave," let's first take a step back and look at what came before.
