The Evolution of Nuclear Strategy | SpringerLink

The author's avowed aim is to present a history of the ideas of nuclear strategy. This Herculean task, covering three and a half decades during which there has been an immense outpouring of writing, is accomplished well. Those who have lived this debate will be reminded of its twists and turns. It is the new students, who have had less exposure, especially to the ideas of the 1950s and 1960s ...
